FACIALS

Essentials Facial

A soothing and moisturizing treatment for skin maintenance and protection against external aggressions. Wherever you live, you cannot escape the effects of atmospheric pollutants. This essential facial is designed to benefit all skin types by effectively eliminating dead cells, neutralizing pollutants and renewing freshness, vitality and comfort.

\$77 45 mins

Pure Perfection Facial

This highly effective facial removes excess sebum, clears pores and restores balance to oily or problematic skins. Oily skin is usually experienced during puberty but may last beyond the age of 30. With this beneficial treatment the face is left matte, velvety soft and balanced.

\$83 60 mins

Age Antidote Facial

The passing years will reveal fine lines, expression lines and a finer, less elastic skin. With an exceptional concentration of anti-aging principles, this facial provides a solution for women and men who want to slow the effects of time. Also beneficial for normal or dry skin, this luxurious treatment saturates skin with the Age Antidote Complex and revitalizes the tissues with a radiance boost massage.

Facial Enhancements

Age Antidote Eye Contour

The delicate skin of the eye area is over-exposed to environmental pollution, the constant stress of blinking and the endless motion of changing expressions. Three to five times thinner than the skin on the face, this sensitive area needs to be pampered. This unique eye treatment is a customized care solution that restores softness, elasticity and reduces the appearance of fatigue.
